Description: Americans enjoy the finest healthcare delivery system in the world, but most people will tell you that we still have a long way to go. Far too frequently, patients leave the doctors office or hospital feeling confused, angry, or neglected. Healthcare leaders recognize this problem, but in their focus on patients (and sometimes financials), they often...

Review: I picked this up because I am a jew officer in the Army Medical Service Corps and this book is on the Corps Chiefs reading list. I am not sure how useful this books content would be in the army, as a lot of this feel-good type of leadership is typically frowned upon, but it had some good key points that could apply to even military leadership.Like...
